## HUNTINGTON TRAILS

Where your home,  
your values and your taste  
come to life.

# Colorado

is a state of natural wonder...

Where the sun is brilliant, the sky a crystal blue.

Peak above peak nearly touching the clouds.

Rocky ridges, quaking Aspen, bugling elk.

Raging rapids and champagne powder.

An explosion of wildflowers come summer.

A garden where gods play.

*When you live in Colorado,  
Colorado lives in you.*

It may have taken a lifetime to get here,  
but now that you're here, it's all that you imagined.

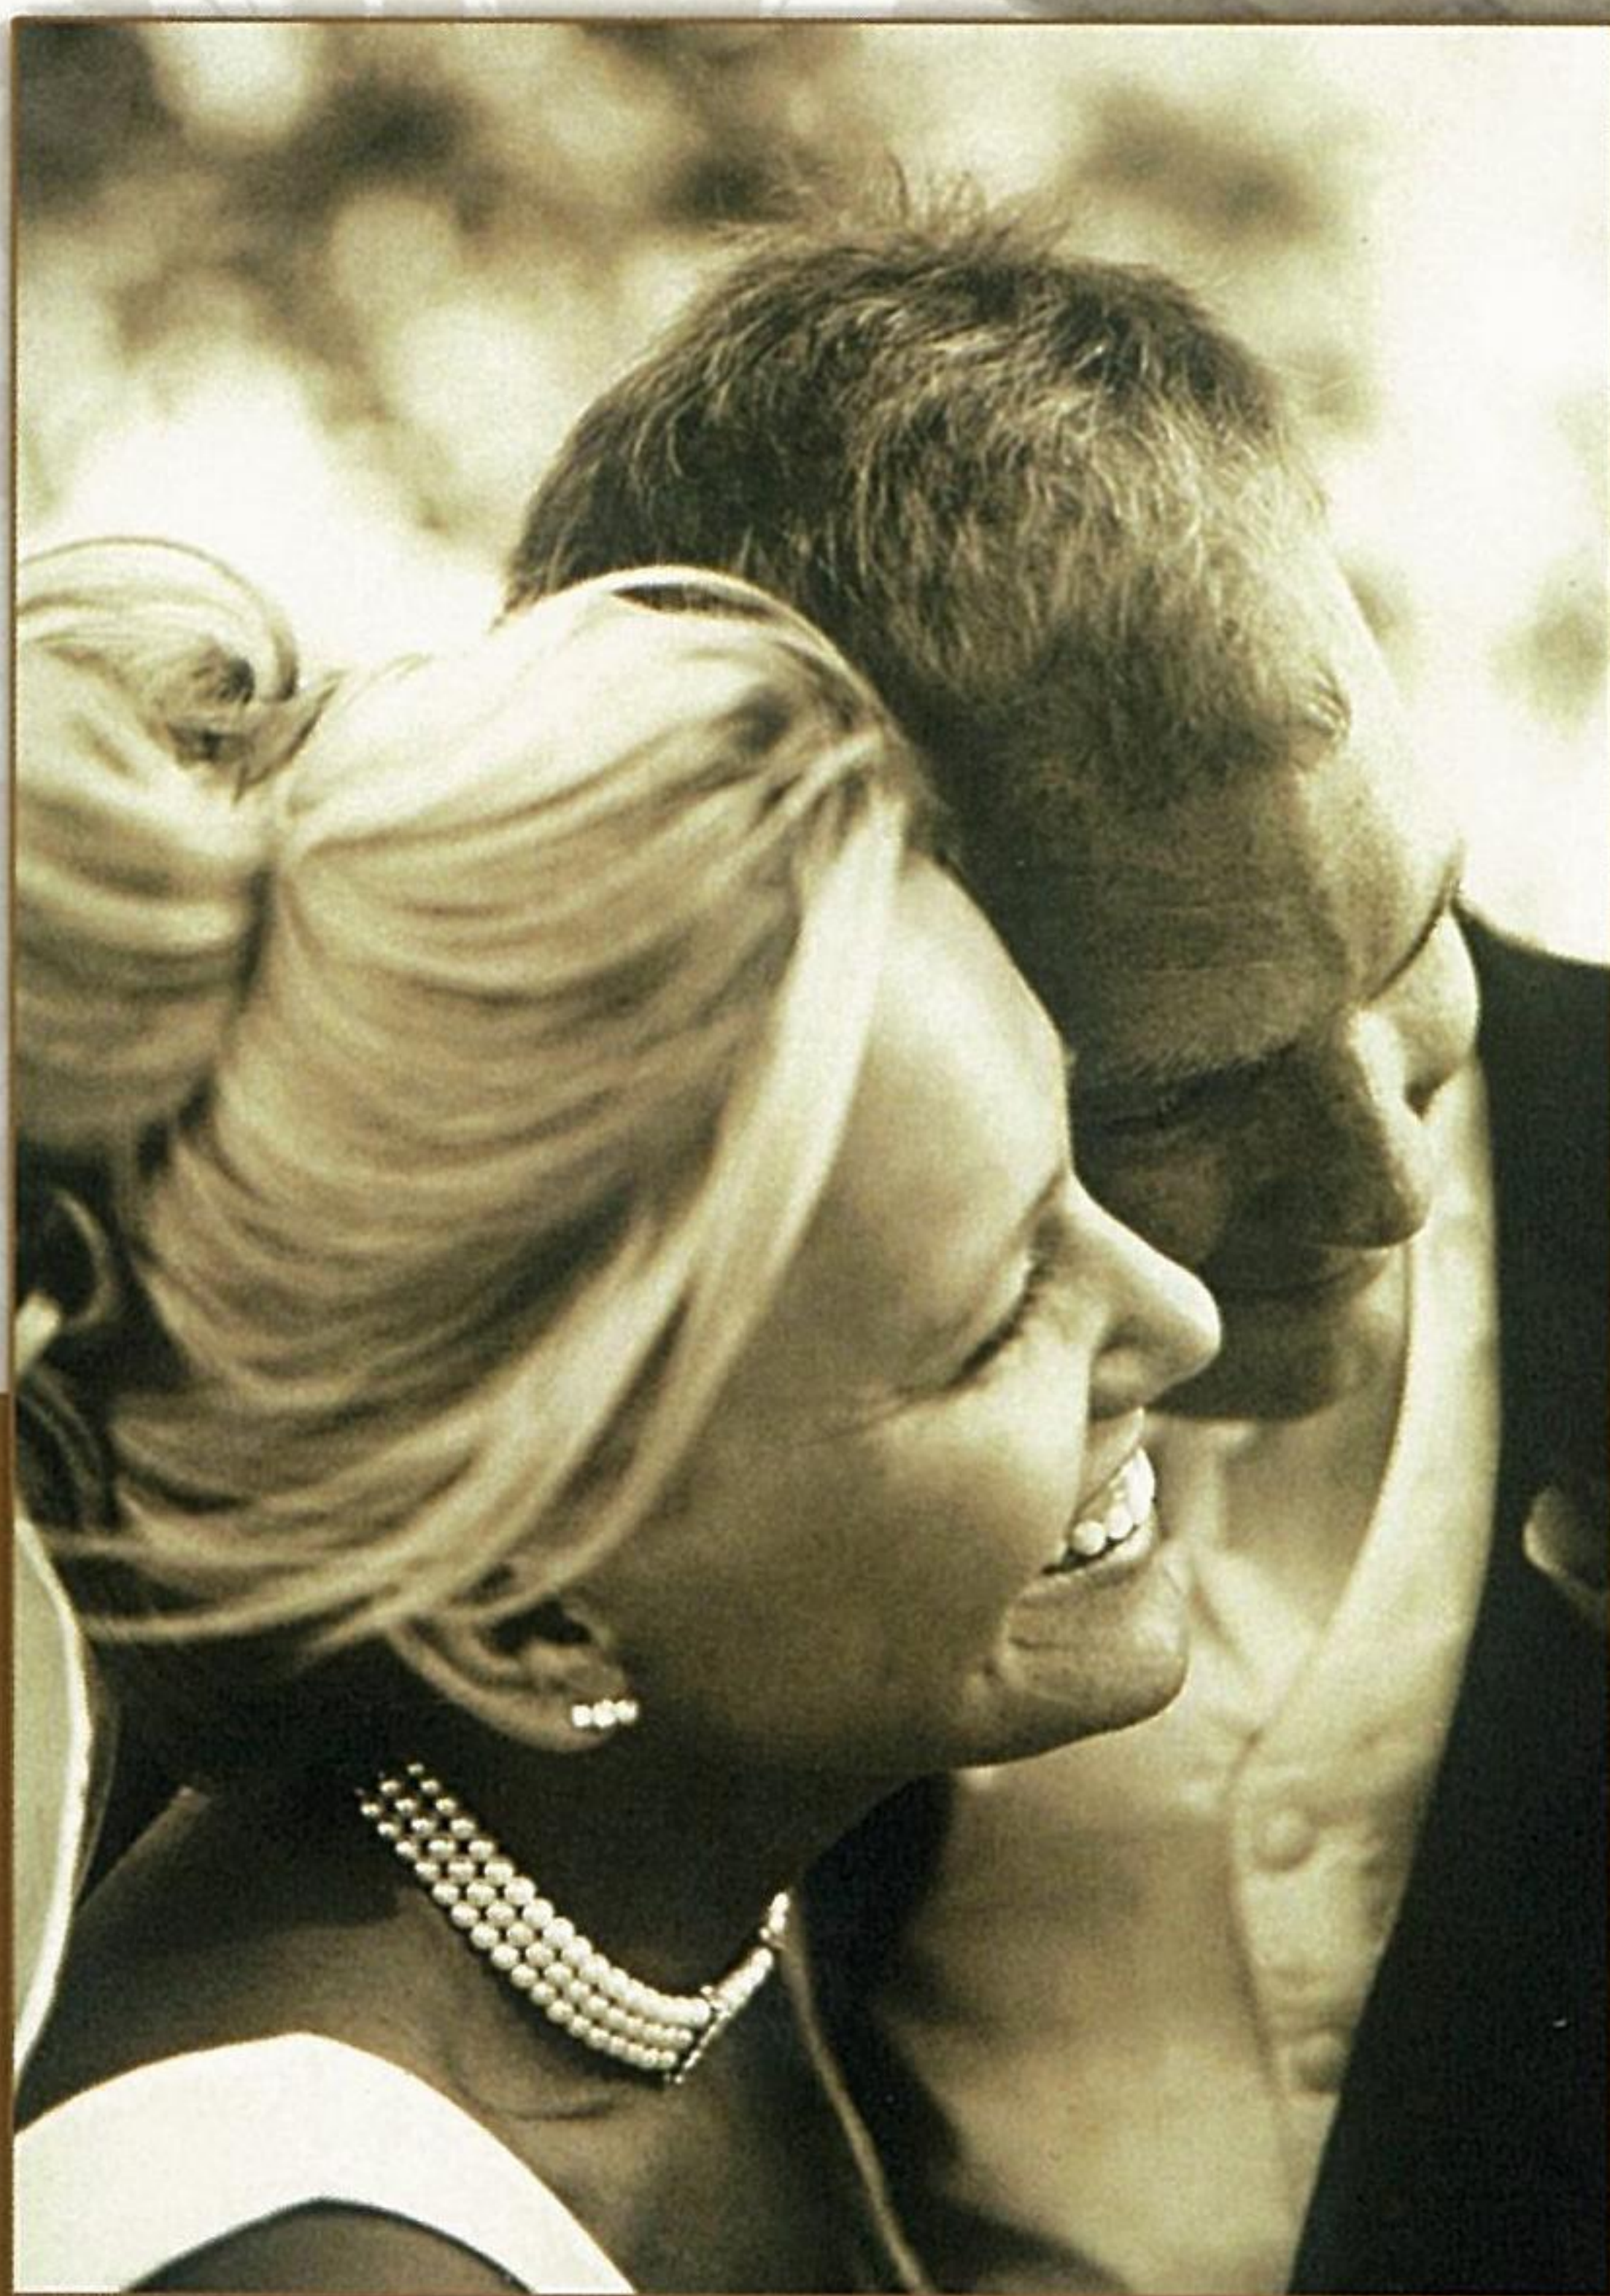

Your Life Is Rich Beyond Compare,

filled with relationships and friendships that make it true and real.

It's a life where exquisite taste is a given,  
from the artwork gracing your walls to the vintage vase in your foyer.

You're Right Where You Want To Be.

And now you're looking back and looking forward to the next step.
