

# IT'S ENOUGH TO MAKE A GROWN MAN CRY.

For many elderly people, their worst fear isn't dying. It's living.

Living with a constant dread of loneliness, confusion, neglect. Living to be abused — Physically, mentally, even by themselves. Living to be taken advantage of. Or just forgotten.

It's not much of a life.

But we're willing to do something about it. If you are too, give us a call.
