

intense

Don't even think I'm pretty in pink.

I'm no Barbie doll.

I just want it all.

No looking back.

And I'm on track to make it.

With school, sports and all that.

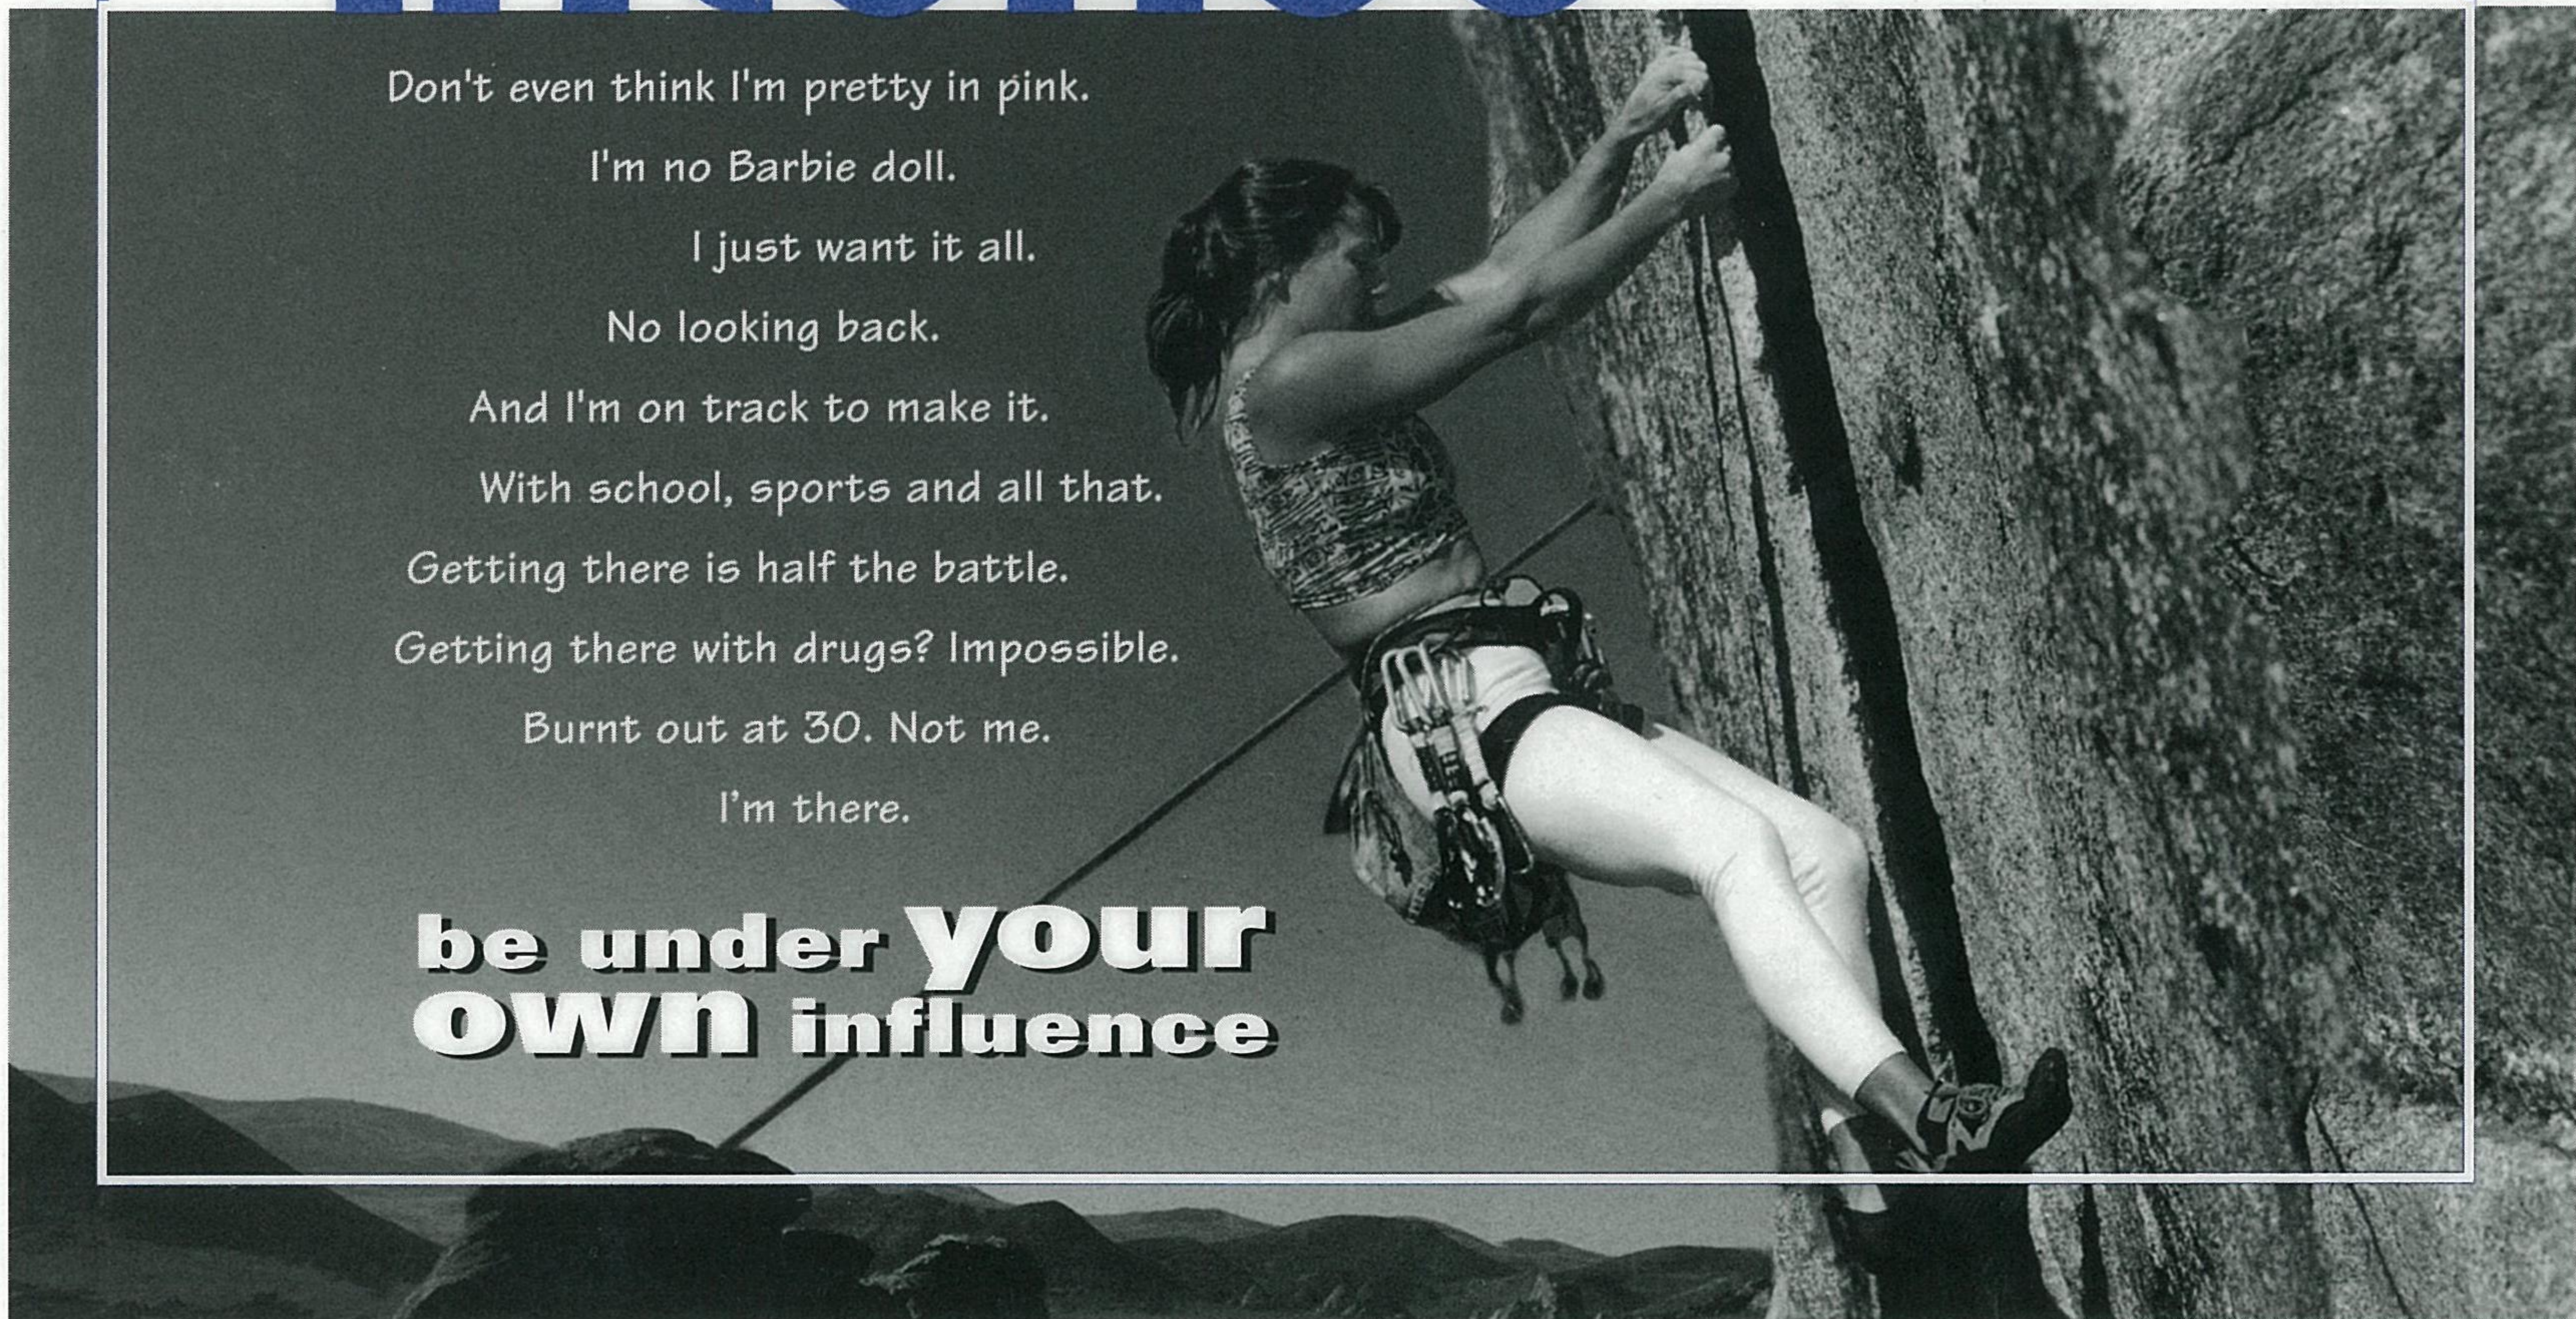

Getting there is half the battle.

Getting there with drugs? Impossible.

Burnt out at 30. Not me.

I'm there.

**be under your

original radical

Adventurous.

*Who knows what the future brings.
But it won't bring drinking or drugs.*

I make my own fun.

Always did. Always will.

Never followed the crowd.

Most people die at 40

but live to be 75.

Life's too short.
